

Freebie

number Formation Practice

1-10

K.CC.3 Write and Represent Numbers Through 20.

K.G.6 Compose Simple Shapes from Smaller Shapes.

Why I created this file...

I created this freebie to assist with students still struggling to write their numbers. We are currently working on composing simple shapes with smaller shapes so I decided to add an images to provide struggling students with a visual of this standard.

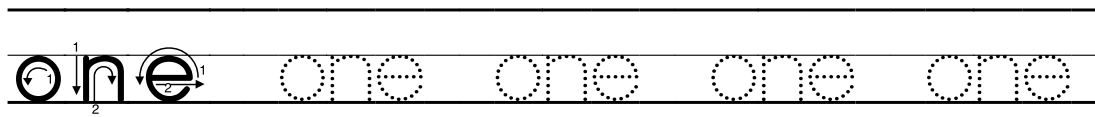

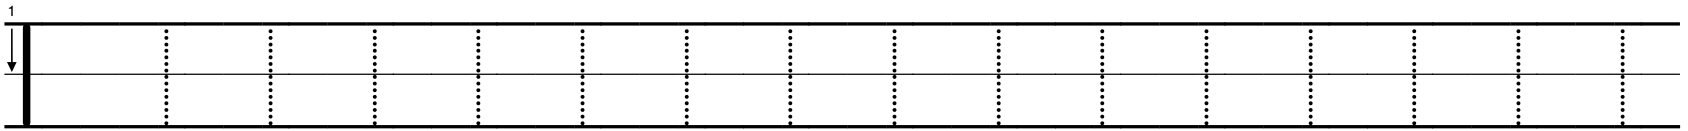

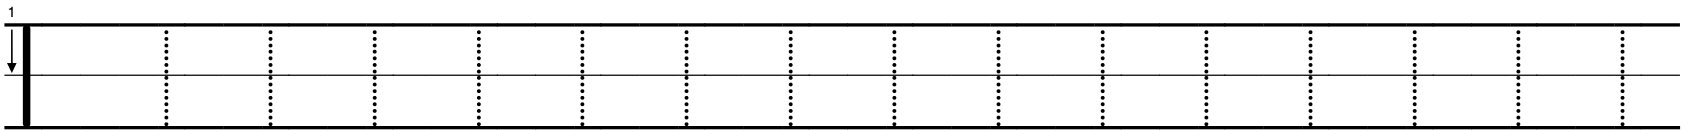

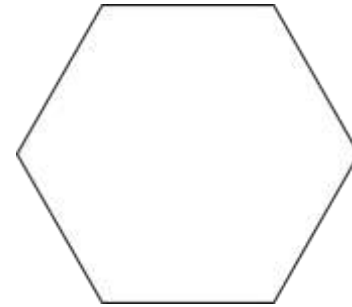

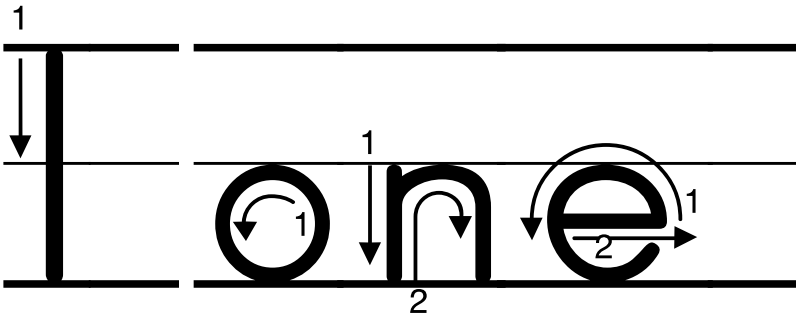

Terms...

Please do not distribute this file but rather send friends and co-workers to my store so that they may download themselves. If you like this freebie, please rate the product. I can be contacted at primarygraffiti@yahoo.com if you have any concerns.

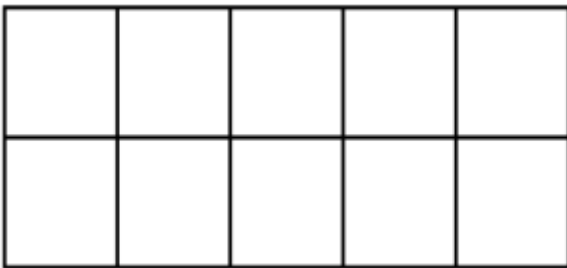

Acknowledgements...

Clipart is purchased through Ashley Hughes! Borders are a free download from Tessa McGuire. Zanner B Fonts purchased from Juan-Jose Marcos.

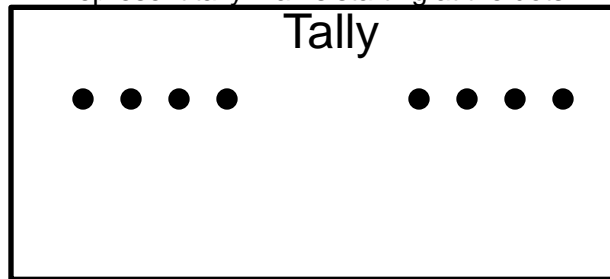

For additional resources, please visit my website at www.primarygraffiti.com!
